25X1

At the time of observation, the KVP had the following telephone, telegraph and radio communications:

1. Telephone:

- a. The two main cables went from Berlin to Halle. All secondary cables were centered in Halle, and the amplifiers were located there.
- b. Communication centers linked directly with Halle were Dresden, Leipzig (two cables), Potsdam and Schwerin.
- c. The following additional stations had telephone connections with the center in Halle:

Burg  
 Dessau  
 Halle I (Stalinallee - two cables)  
 Halle II (Reitstrasse)  
 Halle (local administration)  
 Halle (Athletic and Technical Association)  
 Halle (transportation department)  
 Halle (SED building)  
 Halle (district council)  
 Halle (district police office)  
 Magdeburg (local administration)  
 Magdeburg (military staff office)  
 Naumburg  
 Rothenburg (military recreation center)  
 Torgau  
 Weissenfels

2. Telegraph:
